

## Guest Speakers

The following speakers have been confirmed to date.

- Southern Seabird Solutions trustees will deliver keynote address on culture change, information sharing and collaboration
- Richard Wells, Clements and Associates will talk about the moral and business imperatives for avoiding seabird- interactions, with the focus on NZ trawl fisheries
- Chris Carey, Independent Fisheries Ltd and Caren Schröder, WWF-NZ will tell the story of the development of the Cunning Carey Contraption and Chris's recent international Smartgear award
- Ed Abraham and David Middleton, SeaFIC, will present the results of trials of three mitigation devices during the last NZ squid season
- Ben Sullivan, Birdlife International, will talk about the reduction in seabird mortalities in the Falkland/Malvinas trawl fishery
- Barry Watkins, will talk about seabird by-catch in the South African hake fishery and why it affects NZ
- Ed Melvin, Washington Sea Grant Program has been doing further work on mitigation measures in the Alaskan trawl fishery and will tell us what he has discovered
- Tom Chatterton, Manager, Standards Team at Ministry of Fisheries will outline what the NZ government expects from the trawl fleet and opportunities for collaboration
- Janice Molloy, Southern Seabird Solutions Convenor will describe recent projects at home and abroad

There will be plenty of time allowed for discussion after each speaker

## Other Topics we'll discuss

- Seabirds in trawl nets – the next challenge
- Spreading seabird smart trawl practice internationally

# Southern Seabird Solutions Trawl Workshop

27<sup>th</sup> – 28<sup>th</sup> SEPTEMBER 2006,  
starting at midday 27<sup>th</sup>

NELSON, NEW ZEALAND

## Southern Seabird Solutions Goal

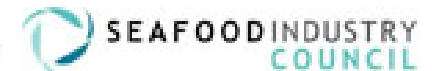

To promote the adoption of fishing practices that avoid mortality of southern hemisphere seabirds. [www.southernseabirds.org](http://www.southernseabirds.org)

## Objective of Workshop

To facilitate rapid progress in solving seabird by-catch in trawl fisheries worldwide through information sharing and collaboration

Thanks to our Sponsors for 2006

Deepwater Group Limited

## Workshop Venue

Trailways Motor Inn  
66 Trafalgar Street, Nelson  
Tel: +64 3 548 7049 [www.trailways.co.nz](http://www.trailways.co.nz)

## Workshop Agenda

### Wednesday 27<sup>th</sup> September

**Trawl Workshop Registration and Lunch** from 12.00pm

**Trawl Workshop commences** 1.30pm to 5.30pm

Day One will focus on presentations and discussion specifically on the level of seabird by-catch in trawl fisheries and techniques to reduce deaths of seabirds on trawl warps, with both national and international coverage. In particular we will hear of the multi pronged approach that has been taken by the NZ Deep Water Group to address the problem in the NZ squid fishery. Business and social imperatives will be discussed, and ways to bring about culture change

**Drinks and Dinner** from 6.30pm  
To be held at Tides Restaurant located at the Trailways Motor Inn.

### Thursday 28<sup>th</sup> September

#### Morning

**Trawl Workshop continues...** 9.00am to 12.00pm

Day Two will address ways to spread good trawl practice internationally and a practical discussion on net captures. An overview of Southern Seabird Solutions projects will be given along with discussions on the next steps for the future to reducing seabird by-catch in trawl fisheries.

**Lunch** 12.00pm

**Afternoon session** 12.30pm to 3.00pm

Conference summary and close
